November is the season for giving thanks and we have so much to be thankful for! Our health, children, family (and school family), friends and much more!

It was truly exciting to see the turnout for our first annual middle / high school choir and jazz concert. Mr. Bunker did a wonderful job of preparing the students to perform in front of 300 plus people. All of the students sounded wonderful!!!

One important component to a student's education is their involvement in co-curricular activities and the athletic program. Whether exploring or expanding an interest, developing a new skill, or participating in a school/community service project, students gain valuable experience by being involved. This contributes to a well-rounded education. We encourage all students to take advantage of the many activities available at Imagine Coolidge.

Communication is a key component to your child's success. The partnership of parent, teacher, and student is necessary to foster student progress and growth. By working together, many questions can be answered and potential difficulties identified early. Should you have a question or concern, please don't hesitate to contact us. Our students are the winners in this positive partnership.

Nurse's Nook

Hello, Imagine Family and Friends! I would like to extend a HUMONGOUS "THANK YOU!" to all of you who have donated your extra uniforms and uniform accessories to the Health Office. The items have been a great help to those students and families in need. I wanted to let you all know that your support, your understanding, and you are so much appreciated!

***If you have not already done so, please bring in any updated shot records that your child may have. Thank you!**

***We have been having a bout of a stomach bug going around. If your child is not feeling well, you may bring medicine to the Health Office for me to administer to them throughout the day. Please fill out a Prescription Consent form at the front office. (Or could it have been the Halloween candy???) Hmmm...**

***REMEMBER TO CHECK LOST AND FOUND!!! Items will be donated if not claimed.**

***please call in to report your sick child-it helps us out!**

****Have a wonderful and Happy Thanksgiving!!! Enjoy your time with your family and friends. Give them proper thanks: THEY ARE A LOT TO BE THANKFUL FOR. Without them, we wouldn't have support, love, and laughter.**

~Miss Sandra

Teacher Time

Imagine at Coolidge is proud to offer Accelerated Reader as a supplemental program at our school. Students are able to read books, then take computerized comprehension tests on those books. Teachers work with their students to make reasonable, yet challenging goals each quarter. In connection with AR we have started The Millionaire's Club! When your child passes a test, the AR program keeps a count of the number of words they have read. Once a student reaches 50,000 words, their name will be posted on our banners leading to The Millionaire's Club wall! There will be special recognition and an award for the student's who become members of The Millionaire's Club by the end of the school year. We are excited about this new program and are honored to team up with you to help us instill a love of reading in your child!

PTO PLACE

Hello Parent and Teachers! We all know how easy it is to message each other about everything on Facebook! Now you can get information about what's happening at the school and with the PTO and all you have to do is LIKE our page! Search for "Imagine Schools at Coolidge" on the Facebook homepage and LIKE us today!

Fall Festival - A great BIG THANK YOU to everyone that made this year's Fall Festival a success! So many parents came to volunteer setting up and working the various booths-too many names to mention. But we want to give a special thanks to Anthony Felix who brought the Fire Truck and arranged the Dunk Tank. Thank you to Colin and Lindy Odette for bringing their horse, Kitty, for our kids to ride and animals to pet! And of course, a big thanks to the guys who cooked the food, Brian Kelley, Russell Griffin and his father-in-law. It was a hot day to be cooking BBQ but they were troopers!

It was great to see teachers, staff, and families enjoying each other and being silly! Thank you, Imagine Staff, for all your support of this event!

ART MASTERPIECE - This month we began the Art Masterpiece Program at our school! Parent and school staff volunteers presented a work of art to the students and students were able to create their own 'masterpiece' in that art style. Teachers and students LOVED this program and can't wait until the next class. Thank you to the volunteers for all their help! We are still in need of parent volunteers for a few classes: Miss, Stevens, Miss Nelson, Mrs. Diaz, Mr. Mehr, Mrs. Chrisman, Miss McPhall, Mrs. Webb, Miss Tezak, Miss Faul, and Mr. Pelofske.

Becoming an Art Masterpiece volunteer is easy and we can help you get the supplies and training you need. You only teach a class 1 day a month for 40 minutes! For more information, contact Kara Griffitts at gpgriff@msn.com today!

Thank you!

Making a Difference

WOW, WOW, WOW!!! What fantastic parents and students we have here at Imagine. Because of your super support at the book fair, we have raised over \$2000 for books for our library! That is the most money we have ever raised from the book fair! THANK YOU, THANK YOU, THANK YOU! You are the best! Also, we have a few more weeks to turn in the Sunny D labels so please get them in ASAP. The deadline for you to turn them in is November 15th. So far, we have over 100 books coming in to us! All for free from Sunny D and because of you! I cannot tell you how thrilled I am at the support I have received from all of you.

Thank you,

Yvette Rincon-Librarian

We had a character door decorating contest for the Say No to Drugs, Alcohol & Tobacco week and the winners are: 1st place - Mrs. Young's 2nd grade class gets a pizza party, 2nd place - Mrs. Diaz's 1st grade class and Mr. Howard's 6th grade class both get Otter Pops. A big THANK YOU to the Coolidge Cotton Queen, Raina Holland, for doing such a great job in judging our doors!
